HEALTH
TREATMENTS

FOR YOUR BODY AND SOUL

Enjoy 2 for 1 health treatments at over 1,300 therapists nationwide

Following on from the success of our first Health Treatments offer we are now giving you the chance to relax into the new year once again with our fantastic 2 for 1 Health Treatments for your Body and Soul offer.

If you've ever wanted to try reiki, acupuncture or reflexology or just want to start the new year with a facial or relaxing massage then this is your chance, as The Daily Telegraph and The Sunday Telegraph, in association with Embody, are giving you the opportunity to enjoy 2 for 1 on a whole range of therapies and treatments.

This guide lists more than 1,300 participating therapists who, as per the terms and conditions of the promotion, will offer you two therapies for the price of one. Many of our participating therapists specialise in more than one area giving you the opportunity to enjoy more than one type of therapy or treatment. You can receive both therapies yourself or allow a friend or relation to enjoy the free therapy.

How to participate

Simply collect one form and four differently numbered tokens to enjoy this Telegraph 2 for 1 Health Treatments offer. Forms and tokens will be printed in The Daily Telegraph and The Sunday Telegraph from Saturday, January 27. Four tokens attached to a completed form allows up to two people to take advantage of this fabulous offer.

Use this guide to select your therapist and treatment (an index of regions is on the opposite

page) and call to book your paid and free sessions. Please state that you are booking under the Telegraph 2 for 1 Health Treatments offer. Therapists will only honour the offer on an advanced bookings basis. The Telegraph 2 for 1 Health Treatments offer runs at participating therapists until Friday, March 30, 2007.

Visit www.embodyforyou.com to find out more about Embody and the benefits of each treatment.

Terms and conditions 1. This offer (Telegraph 2 for 1 Health Treatments for your Body and Soul in association with Embody) is open to UK residents aged 18 years or over. 2. This offer entitles readers to receive two health treatments for the price of one. 3. Readers must call the therapist of their choice and book their treatment(s), stating clearly that they wish to take part in The Daily Telegraph offer. 4. Details on this page form part of the terms and conditions. 5. A full list of participating therapists can also be found online at www.telegraph.co.uk/promotions or www.embodyforyou.com. 6. This offer will only apply to advance reservations. You must state at the time of booking that you are participating in the Telegraph 2 for 1 Health Treatments offer. Each therapist has a limited number of spaces available for this promotion so early booking is advised. 7. To take advantage of this offer, readers must collect four tokens published in The Daily Telegraph and The Sunday Telegraph from January 27, 2007. A set of four tokens attached to a completed form allows a maximum of two people (one paying full price and one receiving a free treatment) to take advantage of the offer. 8. A full description of the most popular therapies are available online at www.embodyforyou.com. However therapists may offer a variation of a specific therapy e.g. facial, therefore readers should use these descriptions as a guide only. 9. The relevant number of tokens and forms must be handed to your chosen therapist at the time of payment. The offer as described above may not be honoured if you do not declare that you hold a Telegraph 2 for 1 Health Treatments form at the time of booking. There is no restriction on the number of sets of tokens or forms that can be redeemed by readers. 10. Photocopied, counterfeits, other reproductions or defaced tokens or forms will not be accepted by therapists. Neither the promoter nor the therapists can accept any responsibility for lost, stolen or damaged tokens or forms. 11. Bookings must be made and completed by March 30, 2007. This offer excludes bank holidays, Valentine's Day and Mothering Sunday. 12. Participating therapists are offering two therapies for the price of one. Readers may either pay for the first therapy and allow the free therapy to be used by a friend or family member or pay for the first therapy and take the free therapy themselves. The free therapy must be of the same or lesser value than the treatment paid for. 13. The promoters reserve the right to vary or amend this offer and the reader agrees that no liability shall attach to the promoter as a result thereof. 14. The promoter is responsible for the first part of the offer - that is, provision of tokens and forms. All other facilities connected with this offer are contributed by, and are the responsibility of, the individual therapist. 15. All details and descriptions have been supplied by the participating therapists and are believed to be correct at the time of going to print. Neither the promoter, nor its agents, can accept any responsibility for any discrepancies, inaccuracies or misconceptions given or construed. 16. Any dispute or complaint must, in the first instance, be brought to the attention of the therapist. The promoter is happy to investigate any unresolved problems, however disputes or complaints relating to the result to the perceived results of a specific treatment will not be investigated. Readers are solely responsible for passing on requested medical history to their chosen therapists. No responsibility will be attributed to participating therapists for an adverse reaction to a therapy that was caused by the non-disclosure of a reader's medical history. You may be required to complete a health history questionnaire before receiving your chosen therapy. Your chosen therapist may discuss any additional terms and conditions of receiving the therapy with you before commencing the therapy. 17. The offer will cease to be available if any individual therapist changes ownership or goes into receivership after the publication of the list unless decided otherwise at the discretion of the new management of that therapist. **Promoter** Telegraph Media Group Limited, 111 Buckingham Palace Road, London SW1W 0DT.
